HOUSE BEGINS CABLE DEBATE.

Corliss Argues in Favor of Government Line in Pacific Ocean.

Washington, June 10.—The House today defeated the bill to transfer certain forest reserves to the Agricultural Department and to authorize the President to establish game and fish preserves. Its death was accomplished by striking out the enactment clause. The motion was made by Cannon and was carried by 100 to 70. He claimed that the bill would greatly increase the cost of administering forest reserves and declared that the estimated receipts of the next fiscal year were already exceeded by the appropriations up to the present time by over \$51,000,000.

The House then adopted a special order for the consideration of the Corliss Pacific cable bill by a vote of 108 to 73, and for the remainder of the afternoon listened to the author of the measure argue in favor of its passage. The House, without preliminary business, resumed consideration of the bill to transfer certain forest reserves to the Agricultural Department and to authorize the President to create game and fish preserves in such reserves. Cannon, chairman of the Appropriations Committee, moved to strike out the enactment clause of the bill. By unanimous consent Mr. Cannon, in connection with his motion, made a statement as to the status of revenues and expenditures.

Read It in His Newspaper

George Schaub, a well known German citizen of New Lebanon, O., U. S. A., is a constant reader of the Dayton Volkszeitung. He knows that this paper aims to advertise only the best in its columns, and when he saw Chamberlain's Pain Balm advertised therein for lame back, he did not hesitate in buying a bottle of it for his wife, who for eight weeks had suffered with the most terrible pains in her back and could get no relief. He says: "After using the Pain Balm for a few days my wife said to me, 'I feel as though born anew,' and before using the entire contents of the bottle the unbearable pains had entirely vanished and she could again take up her household duties." He is very thankful and hopes that all suffering likewise will hear of her wonderful recovery. This valuable liniment is for sale by the Hilo Drug Co.

KING EDWARD ILL.

Confined to His Room by an Attack of Lumbago and Chills.

London, June 15.—King Edward is suffering from a chill, which prevented him from attending today's church parade of the Aldershot garrison. The chill came as a result of the King's prolonged stay outdoors last night on the occasion of the torchlight tattoo at Aldershot. The chill is a slight one, accompanied by symptoms of lumbago.

The weather last night was extremely cold, and it rained at intervals before their majesties left the brigade recreation ground. King Edward returned to his apartments chilled from the unwanted exposure.

To Give Alaska a Delegate.

Washington, June 14.—Senator Beveridge today reported from the Committee on Territories a bill giving Alaska a Delegate in Congress. He also introduced a bill providing for a Delegate from Indian Territory.
